

As we step into new financial year, we would like to thank you for your continued trust and support. Certainly the association in the past has helped to grow & establish our name in the field of Analytical / laboratory Instruments.

At SPECTRALAB it has been our constant effort for past more than 25 years to provide you with best in class and innovative products and solutions ably supported by excellent service quality and technology.

We have over the past absorbed various inflatory trends, however now it becomes imperative for us to marginally revise upwards prices you have enjoyed, in order that we can support you better.

With effect from 1<sup>st</sup> April 2010 our new prices will be in force. In case you have any of our quotation and if these are under your active considerations, we will honour those and will give you the benefit upto 31<sup>st</sup> May 2010.

We are further pleased to inform you that you can see our new
