

Our manufacturing unit is equipped with the following machines:

Machines	Make	Capacity
Spiral Bevel Generator	Gleason	800 dia. X 8 mod. X 100 F.W.
Spiral Bevel Generator	WMW	500 dia. X 8 mod. X 50 F.W.
CNC Machining Centre	HMT, Siemens	Table 800 x 800 mm, magzn:-44
Gear Hobbing	WMW	1000 dia. X 10mod.
Gear Hobbing	TOS	1600 dia. X 16 mod.
Gear Hobbing	TOS	600 dia. X 6mod.
CNC Turning Centre		Dx 200, dia. 200 x 400 mm.
Gear Hobbing	Russian	2500 dia. X 16 mod.
Gear Shaper	Sykes	450 dia. X 4 mod. X 65 mm strokes
Gear Shaper	Russian	600 dia. X 6 mod. X 100 mm strokes
Gear Shaper	TOS	1500 dia. X 10 mod. X 125 strokes
Internal Bore Grinder	Russian	300 I.D. X 250 l.
Cylindrical Grinder	Toyoda	500 dia. X 1500 mm l.
Spline Grinder	Russian	1000 abc
Worm Thread Milling	Matrix	2000 abc – 10 mod.
H. Boring Machine	TOS	1500 x 850 table, (DRO)
Vertical Turret Lathe	Poland	Table 1500 x 1350 mm.
Vertical Turret Lathe	Russian	Table 2000 x 2100 mm.
Universal Milling Machine	Batliboy	Table 1200 x 400 (DRO)
Shaping Machines	Indian	450 stroke

Radial Drills	Indian	80 dia. X 1500 arm
Lathe Machines	Indian	600 dia. X upto 6000 mm

These quality machines allow us to manufacture an exceptional range that is known for its corrosion resistance finish, dimensional accuracy and high efficiency. With the help of these machines, we are able to manufacture customized products that provide effective solutions to the clients' requirements.
