

Intertek

Certificate of Compliance

Low Voltage Directive 2006/95/EC

Project No.: DL08 000113-71CA
Type of equipment: Tubular and Cartridge Heater
Document holder: Pratik Heat Products Private Limited.
11/12, Tankiwala Industrial Estate, Steel made compound, Marol Maroshi
Road, Andheri(E), Mumbai – 400059, INDIA
Manufacturer: Same as above
**Type designation/
Technical data**

- Tubular Heaters with sheath diameter ranging from 6.5 mm to 16mm and with length ranging from 250mm to 3000mm, constructed with stainless steel 304/321/316, Ni, copper and Incoloy.
- Cartridge Heaters with outer sheath material ranging from 6.5 mm to 20 mm and length ranging from 35 mm to 1500mm with stainless steel 304/321/316 and Incoloy construction.

Trademark:

This Notice of Presumption of Conformity has been based on the following:

- Safety test report issued by Intertek with reference number DL08000113-001
- Applicable standard: IEC 60335-1:2001 mod. + A1:2004 ,
EN 60335-1:2002+A11:2004+A1:2004
EN 60335-1/A2:Aug 2006 or IEC 60335-1:2001/A2:2006
- Manufacturer ensures that the manufactured products will be identical to the samples evaluated

We confirm that the samples evaluated fulfil the requirements concerning electrical safety according to above mentioned standards harmonised with the Low Voltage Directive 2006/95/EC. Safety risks other than those covered by the above standards were not revealed during our evaluations.

Note: Products entering the European Union are subject to the requirements set forth in the European Directives. It is the responsibility of the person placing the product on the European market to ensure compliance with applicable Directives. Our services are intended to provide you with the data needed to determine compliance, but the person placing the product on the European market still has the responsibility to ensure each product complies with the applicable Directives. Our report under this investigation will not imply that Intertek has Listed, Verified, or Recognized the product, nor does it authorize the use of Listing or Verification Marks or other reference to Intertek, on or in connection with the product.

Compliance Document

No.: CD2007MUM1020

This compliance document is issued to:

M/s Pratik Heat Products Private Limited.
9/11, National Tankiwala Industrial Estate,
Steel Made Compound,
Marol Maroshi Road, Marol
Andheri East, Mumbai 400 059
India

For following products:

- Microtubular Coil Heaters / Coil heaters

These products comply with the essential health and Safety requirements of the following EC directives.

- Low Voltage Directive: 73/23/EEC amended by 93/68/EEC.

Applying following standards:

- EN 60519-1 : 2005
- EN 60519-10 : 2005

This is issued based on the testing & evaluations carried out vide following report and fulfillment of technical documentation required.

Report reference number

- R2007MUM1014

It is only valid for the products and configuration described in conjunction with the test data referred in above test reports.

Manufacturer may affix **CE marking** on the products stated above, for the referred directives after signing the EC declaration of conformity. The manufacturer is responsible for the consistent manufacturing of the products in conformity with the referred tests reports and standards.
