DETAILS OF OUR ORGANIZATION

Horizon Services is a consulting organization supported by the Laboratory infrastructure, adopts the methodologies, which are approved by Maharashtra Pollution Control Board. Our area of work is Pollution Monitoring, Prevention, & Control of Pollution, Industrial Safety, Health, & Hygiene. We are offering various services to various reputed organizations. Horizon Services, a decade old Pune based (Consulting) organization established in 1993 has been involved in setting up many projects in the field of Environment & safety.

Our Laboratory infrastructure is first Recognized Laboratory in Pune, under EPA, 1986 to carry out water/wastewater analysis, Air Pollution monitoring & Analysis, Noise Monitoring, Solid, Hazardous waste analysis from **Government of India, Ministry of Environment & Forests, New Delhi.**

The Organization provides all the services which include project management, process engineering, design engineering, procurement assistance, supervision of construction & operation & process maintenance, together with essential support of Lab, cost control, cost estimating etc. by using modern techniques.

Our organizational set up consists of Engineers, Chemists, Technicians & Associates involved in various activities of Environmental Pollution & Safety from the stage of Concept to Execution. We always emphasize on Quality Work & Customer Satisfaction.

Our Assignments Includes

- ✍ Environmental Impact Assessment & Management Plan.
- ✍ Environmental Clearance.
- ✍ Air Pollution Monitoring in terms of Stack Emissions, Fugitive Emissions, and Ambient & Work-zone Air Quality.
- ✍ Efficiency assessments of Air Pollution Control Equipments.
- ✍ Design & Detailed Engineering of Effluent / Sewage Treatment Plant.
- ✍ Performance assessment of Effluent Treatment Plant.
- ✍ Erection & Commissioning of Effluent Treatment Plant.
- ✍ Operation & Maintenance of Effluent Treatment Plant.
- ✍ Noise, Ventilation, Illumination, Temperature Profile Surveys.
- ✍ Analysis, Treatment & Disposal Practices of Hazardous Wastes.
- ✍ Environmental Auditing.
- ✍ Safety Audit, Disaster Control / Management Plan.
- ✍ Water Treatment Plant/DM Water /Soft Water Plant/RO

We evaluate Systems of Environmental Management based on requirements for developments, implementations of compliances and maintenance of controlling projects. We formulate Environmental Policy & prepare a manual, which would describe overall standing of the company w.r.t pollution.

WE ARE TRAINED AUDITOR UNDER ISO 14000 (EMS) & OHSAS 18000.
