

Industry	Application
Primary metal & steel mills	Primary metal steel mills Slipper pads, Foundry table wheels, Punch processwear plates, Bearings, Steel uncoiler wear strips, Steel uncoiler mandril cubliners, Steel coil flat-top conveyor wheel bearing, Roll-line bearings, Molten iron-car bearing, Spindle-car bearing, Bearing block and mill spacer rings, Stand-liner plates, Backup roll bearings, Backup and work bearings, Roll rest pads, Overhead crane line short bearings, Gears, Bushes Wobble box inserts, Eccentric rollers, Wear pads, Guides, etc.
Food and Food packing (Bottling)	Heavy duty chopping boards , Chain wear stripes, Infeed guides, Star Scrolls, Drum Gear, Shuffle plates, Rollers, Cams, Cam Followers, Timing Screws, etc.
Textiles Machines	Hosiery Machine drive gear wheels, (Knitting), Shaft support bearings, Cams, Cam followers, Loom pivot bearings, Gears, Shuttles, etc.
Pharmaceutical	Tablet packaging pockets, Guides, Star Wheels, Scrolls, Tablet Clats, Gears, Conveyor sprockets, Chain guides, Cams, Punch guide bushes, Label spacers, Elevator spares, Copper spares, etc.
Ship Building and Naval Activities	Rudder Stock bearings, Rope Sheaves, Bushes gears, Wear pads, Stabiliser fins, Rollers & roller bearings, Stern tubes, Thruster nozzles for mini submarines, Bearings for deck winches and capstons, Bearings for rail wheels, Gate bearings for waterway locks, etc.
Quarry & Mining	Batch heater rollers, Gears, Cone crusher bearings, Socket liner for stone crushers, Support rings, Mine shaft lift pulley, Wear pads, Chute liners, Conveyor rollers and bearings, Mill bushes, Wiper seals, Guide plates, Rock drill bush, etc.
Material Handling Equipment Ropeways/Cranes/Conveyors	Bushes and linkages, Slewing rings, Rope guides, Pivot points and scissors joint, Pulleys, Wear strips, Boom wear pads, Slewing gears, Hydraulic cylinder bushes, Hose pulley, Roller bearings, Idlers, Wheels, Thrust washer, Drive sprockets, Wheels liners (types), Solid wheels, etc.
Railways	Bogie pivot liners, Brake linkage bushes, Door linkage bushes, Door runners, Anti-stick slip suspension bushes, Pedestal liners, Spherical bearings, Spacers, Wear pads, Gears, etc.
Engineering and OEM	Gears, Cams, Sprockets, Bushes, Bearings, Gaskets, Pulleys, Liners, Gear Blank for Elevators, Roller rack, Wear plates, Timing gears, etc.
